My goal for grade 8 is to make lots of new friends and to have fun as much as possible. I am hoping to get good grades and I would love to join the school's baking club. My favourite subject is math, so I am hoping to achieve an A for this course.

My schedule	
1	Math
2	ADST
3	Socials
4	English
5	PE
6	Science
7	Band
8	Dance
